

Avenue Child Contact Centre – Parents Information Leaflet for Self Referrals

Thank you for your interest in using our centre. Families wanting to apply for a place will be required to go through the following process:

Receive a letter from the centre

A copy of the same letter will be sent to both the resident and non resident parents. If we are able to offer your family a place for contact the letter will give details of when and where it will take place.

Attend an interview at the centre

There will be separate interviews for resident and non-resident parents. They will be used to

- Gather information about you, your children and the background to what has happened.
- Give you information about the centre and how it operates.
- Show you around the Centre so that you will be familiar with it before your first visit.

Length of time that you will be able to use the centre for

The centre will only offer you a maximum of twelve sessions of contact.

If after this time it is felt that more time is needed this will be considered by the Centre staff.
